

A Journey Through Music

THERE IS ALWAYS... ANOTHER WAY

Ann-Britt, a singer-songwriter based in California, embarked on her musical journey in her native Denmark, where her passion for singing blossomed from a young age. She began as a soloist in the Danish church and soon found herself performing her favorite songs at renowned venues like Tivoli Gardens in Copenhagen. When diagnosed with a chronic illness in 2018, Ann-Britt turned to music as her refuge, channeling her emotions into writing heartfelt ballads and soothing melodies. Music became her lifeline, a source of strength and healing. Now, as she fulfills her childhood dream, Ann-Britt is overjoyed to release her debut album, *Another Way*, this winter, and she can't wait to share her music, filled with love and resilience, with the world.
